

## REMARKS

Applicants amend the specification to include the "cross reference to related applications" section listing the priority document of this application by application number. Applicants amend the claims in this case solely to better define the subject matter of the present invention. The new claims are supported by disclosure in the specification and by the figures. After the above amendment, claims 30-52 are pending, claims 30, 48 and 52 are independent.

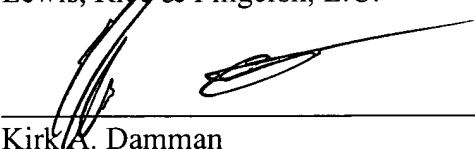

### Conclusion

Applicants enclose herewith the fees for filing of additional claims and the filing fee for the application. Applicants believe no additional fees are due in conjunction with filing this preliminary amendment, however, the Commissioner is authorized to credit any overpayment or charge any deficiencies necessary for entering this amendment, including any claims fees and/or extension fees to/from our **Deposit Account No. 50-0975**.

If any questions remain, Applicants respectfully requests a telephone call to the below-signed attorney at (314) 444-7783.

Respectfully submitted,  
Lewis, Rice & Fingersh, L.C.
